Director Shinn,

In response to the Project Investment Justification (PIJ) for the “**ADCRR Cameras Modernization Program - Mental Health Medical Areas**” project, the Arizona Department of Administration (ADOA) Strategic Enterprise Technology (ASET) office has reviewed your proposal to improve the security camera system overall including network quality, coverage and reliability.

The PIJ implies funding is available from the Base Budget in the amount of \$1,013,902.99 for the total estimated five-year life cycle cost for the project, which is shown below.

All Figures in Thousands (\$000)						
Cost Description	FY2023	FY2024	FY2025	FY2026	FY2027	Total
Development Costs	1013.9	0.0	0.0	0.0	0.0	1013.9

Operational Costs	0.0	0.0	0.0	0.0	0.0	0.0
Total Project Costs	1013.9	0.0	0.0	0.0	0.0	1013.9

The PIJ is scheduled to be **reviewed by ITAC on October 19th, 2022** meeting. Should the ITAC approve the project, you may then proceed to secure additional approvals as required from the Joint Legislative Budget Committee, the Office of Strategic Planning and Budgeting, and the State Procurement Office.

As always, let us know if you have any questions.

--

Thomas O'Dowd
