| Total Project Budget | \$ 6,500,000 | | Scope | Yes |

Current End Date: 06/30/2023 Revised End Date: 06/30/2024

Change Description:

The Arizona Strategic Enterprise Technology (ASET) in Phase II, the Program will focus on features that enable entrepreneurs to create and manage partnerships, trade names, and trademarks. The Program will also provide single-sign-on access to AZTaxes so business owners can manage their taxes. Finally, the Program seeks to integrate a new state-level agency within the portal.
