

# Kids Safe Online Calendar Contest

## Getting Started

Public, Private, and home schooled students in Grades K-12 are invited to participate for a chance to have their artwork displayed in the 2021-2022 Cyber Security Calendar! Entries should feature original artwork illustrating the safe use of the Internet and/or mobile devices.

## Suggested Topics

### Grades K-8

- How should you treat others online?
- What information is safe to put on social media and what should you keep private?
- How should you handle unwanted attention or strangers online?
- How can you select a strong password and keep it secure?
- How can you handle cyberbullying?

### Grades 9-12

- How can you preserve your online reputation or "digital footprint" on both social media and elsewhere on the Internet?
- How should you handle unwanted attention or strangers online?
- How can you select a strong password and keep it secure?
- Why is it important to keep your devices and software up to date?
- When is it safe to text and what information is safe to text?

## Format

- Original hand-drawn or electronically created submissions will be accepted.
- Text should be dark and large enough to read.
- Submissions may be in the format of either a full-page drawing or a 4-panel comic.

## Layout & Dimensions

**Only landscape layout** submissions will be accepted! Calendars are in landscape format.

- Minimum: 11" x 8.5"
- Maximum: 14" x 11"

## Content

- **Do Not** send any artwork that contains trademarked images or brands such as Disney Characters, Dell, Google, Twitter, etc. For additional information on copyright visit: <http://www.copyrightkids.org/>
- **Do Not** put any identifying information (such as student's full name or age) on the front of the poster.
- Adults may offer minimum technical support but cannot aid in the creative process. No professional (paid) assistance is allowed.
- Inappropriate or offensive language and images will cause a submission to be automatically disqualified.

## Please Note:

- Students may use a variety of media, such as watercolor, pen and ink, crayon, chalk, or markers.
- Brighter colors reproduce better for the calendar. Light pencil marks will not show up.
- Keep in mind most posters will likely be on public display, and should be easy to see or read.

#### Notice:

All entries submitted become the property of the State of Arizona and may be used in future publications. Poster entries will not be returned.

### Winners

Winners from each grade group (K-5, 6-8, 9-12) will be selected.

A total of 13 winners will have their artwork displayed in our calendar which will be distributed throughout the State and used in campaigns to raise awareness among children of all ages about Internet and computer safety. The winning submissions will also be made into posters promoting cybersecurity practices.

We will notify the school contact person named on the Poster Entry Form or the state contact if their student is a winner!
