

# Information Technology Authorization Committee

## Project Review

April 27, 2016

### Action Item

**Agency:** Arizona Department of Economic Security (DES)  
**Project Name:** 2016 End User Device Refresh  
**Project Number:** DE16010  
**ASET Engagement Manager:** James Dean

The Arizona Department of Economic Security (DES) refreshes the oldest end user equipment each year to ensure a consistent environment is maintained. With the oldest end user hardware throughout the Agency being 5 years or less in age, DES will provide personnel with products that better suit the business needs and requirements of today, including security measures to address state and federal requirements.
